LET'S GET WIRED!

Instructor: Anthony Alvarez AIFD, CCF

Place: Shinoda Design Center, 601 W. Dyer Road, Santa Ana, CA 92707

Time: 9:00 am - 12:00 pm

At this informative workshop we will explore new ideas for working with new wire products available to designers. We will also cover basic jewelry making techniques as well as tips for making fluid, modern wire work for flowers to wear and carry, in addition to exploring the use of cold glue with fresh flowers to enhance your creations. You will learn innovative techniques to embellish floral designs with color and bling while adding real value and unique flair to everyday designs and special event work.

Everyone will enjoy this introductory class and have fun flexing their
creative muscle!

To further enhance your wire creativity, CSFA will conduct an advanced class taught in the Fall at Calif Flora 2012 that will build on the techniques we learn in this class. Bring a pair of round nose jewelry pliers, wire cutters, and come get wired with us!

Class fee: \$95.00/Member ~ \$120/Non-Member
